Appendix B

Scoring Matrix for Habitat Restoration Projects

Appendix Table B-1. All scores assigned to each potential habitat restoration project in the West Fork Cow Creek watershed.

| Project | | Unit | | | | | h Presence | | | | Life Stages | | | | | | | ish Passage | 9 | Instream F | Restoration | Riparian R | estoration | Project | Access | | | | |
|---|--|-------|------|---------|------|-----------|------------|---------|-------|-------|-------------|------|-----------|---------|-------|-------|---------------------------|--------------------------------|-------|---------------------|-------------------|---------------------|-------------------|-----------|--------|--------|----------|-------|--------|
| | | | | | | | | | | | | | | 3 | | | | | - | | | | | | | Total | Cost | Raw | Final |
